Rare Earth Industry Association

SPEAKING OPPORTUNITIES at the 2025 REIA Annual Conference

The **2025 REIA Annual Conference** continues to build on its tradition of providing valuable insights and fostering meaningful discussions across the rare-earth supply chain. Informed by our membership feedback, this year's event will feature a variety of formats designed to engage industry leaders and promote impactful dialogue.

If you are interested in speaking at the conference, taking place in Montreal next June, please reach out to us at events@global-reia.org to express your interest prior to 29 January 2025.

We are curating a dynamic program featuring **keynote presentations, panel discussions, and fireside chats.** To achieve this, we seek **speakers, panelists, interviewees, moderators, and interviewers.** Detailed guidelines for these roles will be provided to prospective participants. REIA reserves the right to determine participation, schedule and topic **areas.**

Content Focus Areas:

◊ **Market Dynamics of Supply and Demand** – Upstream, Midstream, Downstream
◊ **Production Technologies and Updates** – Upstream, Midstream, Downstream
◊ **Applications of Rare Earths** – Innovation and Optimization
◊ **Sustainability**
  o Compliance and Reporting
  o Environmental Standards: Lessons and Innovations
  o Recycling and Circular Economies
◊ I**nvestment Strategies and Capital Markets**
  o Investment appetite and access
  o Challenges to overcome
◊ **Building Resilient and Diverse Rare Earth Supply Chains – The Role of OEMs**
◊ **Policy and Regulatory Updates**
  o Canadian Landscape: Current policies and focus areas
  o Global Jurisdictional Updates: USA, Australia, Europe, and others
◊ **Case Studies**
  o Success Stories
  o Challenges

We invite you to be a part of this comprehensive program and to contribute your expertise to further the development of the rare-earth industry. For more information or to register your interest, please contact events@global-reia.org.
